

# Informal Partnership Models

**Informal Partnership Models are individualized to meet the unique needs and resources of the community they serve. Local Education Agencies (LEAs) and Early Learning Centers (ELCs) can be innovative in creating models that best serve their community.**

- Professional Development Partnership – LEAs and ELCs provide shared professional development opportunities for teachers and staff
- School Readiness Integration Partnership – LEAs and ELCs meet throughout the year to share data, plan and align instruction, assessment and progress-monitoring, with the goal of elevating school readiness
- Family Engagement Partnership – LEAs and ELCs meet throughout the year to plan and implement shared family engagement activities
- Prek/K Transition partnership- LEA and ELC plan and implement Prek/K transition activities for students and their families
