 - (2) For an alternative certification program or post-baccalaureate program, an applicant shall have, at a minimum, a bachelor's degree earned from and conferred by an accredited IHE.
 - (3) For an undergraduate university program, alternative certification program, or post-baccalaureate program, to be eligible for admission into an EPP, an applicant shall have a grade point average (GPA) of at least 2.5 before admission.
 - (A) The GPA shall be calculated from an official transcript as follows:
 - (i) 2.5 on all coursework previously attempted by the person at an accredited IHE:
 - (I) at which the applicant is currently enrolled (undergraduate university program formal admission, alternative certification program contingency admission, or post-baccalaureate program contingency admission); or

The State Board for Educator Certification will use equivalency scores established by the Educational Testing Service, and the Texas Education Agency (TEA) will publish those equivalency scores annually on the TEA website.
- (4) For an applicant who will be seeking an initial certificate in the classroom teacher class of certificate, the applicant shall have successfully completed, prior to admission, at least:

§227.19. Incoming Class Grade Point Average.

- (a) The overall grade point average (GPA) of each incoming class admitted between September 1 and August 31 of each year by an educator preparation program (EPP), including an alternative certification program, may not be less than 3.00 on a four-point scale or the equivalent. In computing the overall GPA of an incoming class, an EPP may include:
 - (1) the GPA of each person in the incoming class based on all coursework previously attempted by the person at an accredited institution of higher education (IHE):

- (A) at which the applicant is currently enrolled (undergraduate university program formal admission, alternative certification program contingency admission, or post-baccalaureate program contingency admission); or
 - (B) from which the most recent bachelor's degree or higher from an accredited IHE was conferred (alternative certification program formal admission or post-baccalaureate program formal admission); or
- (2) the GPA of each person in the incoming class based only on the last 60 semester credit hours of all coursework attempted by the person at an accredited IHE:
- (A) at which the applicant is currently enrolled (undergraduate university program formal admission, alternative certification program contingency admission, or post-baccalaureate program contingency admission). If an applicant has less than 60 semester credit hours on the official transcript from the accredited IHE at which the applicant is currently enrolled, the EPP may use grades from all coursework previously attempted by a person at the most recent accredited IHE(s), starting with the most recent coursework from the official transcript(s), to calculate a GPA for the last 60 semester credit hours; or
 - (B) from which the most recent bachelor's degree or higher from an accredited IHE was conferred. If an applicant has hours beyond the most recent degree, an EPP may use grades from the most recent 60 hours of coursework from an accredited IHE (alternative certification program formal admission or post-baccalaureate program formal admission).
- (b) A person seeking career and technical education certification is not included in determining the overall GPA of an incoming class.

- (b) A request for preliminary criminal history evaluation must include the following:
 - (1) a signed and dated application, in the form provided on the Texas Education Agency (TEA) website, containing contact information and the date and description of each offense requested to be evaluated;
 - (2) an attached statement of the circumstances upon which the arrest is based and the disposition relating to each offense to be evaluated;

- (f) A request for preliminary criminal history evaluation is incomplete unless it includes a copy of the receipt for the request for preliminary criminal history evaluation fee, a completed application, a statement of circumstances, and the required court documentation. The TEA staff will take no action on a request that is incomplete.
- (g) All documents submitted in connection with a request for preliminary criminal history evaluation, whether complete or incomplete, will not be returned to the requestor. All documents will be retained or destroyed by the TEA in accordance with the TEA records retention schedule.

Any documents or information not provided by the requestor will not be considered reasonably available for purposes of evaluating the request. In the event that the requestor subsequently applies for certification by the State Board for Educator Certification, complete fingerprint-based national criminal history information will be required. - (c) The preliminary criminal history evaluation letter relates only to whether the specific information submitted constitutes grounds for ineligibility. The evaluation letter is not a guarantee of educator certification, admission to an educator preparation program, or employment as an educator.
