### CYCLICAL MONITORING

## 2019–2020 CYCLICAL REVIEW PARENT, TEACHER, ADMINISTRATOR INTERVIEWS/SURVEY

### Staff and Family Surveys

On December 7, 2019, the TEA Review and Support team received 33 surveys during the comprehensive desk review. Respondents to the staff and family survey included parents/guardians, general education teachers, special education teachers, evaluation staff, and administration staff (district and campus). The Review and Support surveys focused on the following review areas:

- Blue Ridge ISD uses a variety of communication strategies for school and community outreach.
- Respondents to the stakeholder survey report Blue Ridge ISD's greatest strengths is the inclusion of special education staff in grade level curriculum planning.

This survey was approved by the Texas Education Agency's data governance board. Participation in this survey was both voluntary and anonymous. No data was collected identifying a name so that individual responses cannot be linked to any respondent. Participants were given the option to stop the survey at any time

### Strengths

Based on results of the policy review and student file review, along with data collected from LEA staff and family surveys, the Review and Support team identified the following strengths for Blue Ridge ISD:

- The artifacts reviewed for Blue Ridge ISD during the desk review indicated compliance across the seven critical areas of the Differentiated Monitoring and Support Diagnostic Framework.
- Blue Ridge ISD self-reports utilizing the district's special education data dashboard to monitor implementation of written procedures, as well as to identify areas for improvement and offers annual trainings to special education team members.

### Technical Assistance

As a result of monitoring, the TEA has identified the following technical assistance resources to support Blue Ridge ISD engaging in **universal** support as determined by the RDA performance level data and artifacts within the compliance review:

| IEP Development | <a href="#">Developing High-Quality Individualized Education Programs</a> |

## Findings of Noncompliance

A finding is made when noncompliance is identified with the Review and Support report findings, SPP notification, and/or individualized education program (IEP) requirements. Noncompliance that is systemic in nature must be included in a comprehensive corrective action plan (CAP) with action steps to address each of the noncompliance findings. ***When noncompliance has been identified as part of this cyclical review, Blue Ridge ISD will receive formal notification of noncompliance in addition to this report.***

The TEA Division of Special Education Monitoring will further advise the LEA on the corrective action process, if applicable.

The TEA follows procedures for the correction of noncompliance consistent with federal guidelines (OSEP Memo 09-02.)

Before the TEA can report that noncompliance has been corrected, it must first verify the LEA:

- Has corrected each individual case of noncompliance (Prong 1); and
- Is correctly implementing the specific regulatory requirements (i.e., subsequently achieved 100% compliance) (Prong 2).

The TEA is required to monitor the completion of a corrective action plan if any noncompliance is discovered. The corrective action plan must be designed to correct any and all areas of noncompliance ***as soon as possible, but in no case later than one year from the date of notification.***

## Corrective Action Plan (CAP)

The LEA will develop a CAP to address any items identified as noncompliance in this summary report. An approved form for the CAP can be accessed on the Review and Support website or in the resources located in Intervention, Stage, and Activity Manager (ISAM).

The LEA must submit the CAP in ISAM within 30 school days from the date of this report and formal notification of noncompliance. The TEA will review the CAP submitted by the LEA for approval. If the TEA determines that a revision(s) is necessary, the LEA will be required to revise and resubmit. The Review and Support team will contact the LEA to provide notification when the CAP has been approved.

## Individual Correction

The educational agency has **60 school days** from the date of this summary report to correct all identified findings of noncompliance for individual students, unless noted otherwise in the report.
