Chapter 150. Commissioner's Rules Concerning Educator Appraisal

Subchapter AA. Teacher Appraisal

(a) All school districts have two choices in selecting a method to appraise teachers: a teacher appraisal system recommended by the commissioner of education or a local teacher appraisal system.

(b) The commissioner's recommended teacher appraisal system, the Texas Teacher Evaluation and Support System (T-TESS), was developed in accordance with the Texas Education Code (TEC), §21.351.

(c) The superintendent of each school district, with the approval of the school district board of trustees, may select the T-TESS. Each school district or campus wanting to select or develop an alternative teacher appraisal system must follow the TEC, §21.352, and §150.1007 of this title (relating to Alternatives to the Commissioner's Recommended Appraisal System).

(d) The commissioner may designate a regional education service center to serve as the T-TESS certification provider for the state. The designated regional education service center may collect appropriate fees under the TEC, §8.053, from school districts and open-enrollment charter schools for training and certification.

(e) Sections 150.1002 through 150.1006 of this title apply only to the T-TESS and not to local teacher appraisal systems.

(f) The statutorily required components of teacher appraisal are defined as follows.

(1) The implementation of discipline management procedures is the teacher's pedagogical practices that produce student engagement and establish the learning environment.

(2) The performance of teachers' students is how the individual teacher's students progress academically in response to the teacher's pedagogical practice as measured at the individual teacher level by one or more student growth measures.

(d) Beginning with the 2017-2018 school year, each teacher appraisal shall include the performance of teachers' students, as defined in §150.1001(f)(2) of this title (relating to General Provisions).

(e) If calculating a single overall summative appraisal score for teachers, the performance of teachers' students, as defined in §150.1001(f)(2) of this title, shall count for at least 20% of a teacher's summative score.

(f) Each teacher shall be evaluated on the performance of teachers' students using one of the terms from the following categories:

(D) shared with the teacher's appraiser prior to the end-of-year conference; and

(E) used after the end-of-year conference in the determination of ratings for the goal setting and professional development dimensions of the T-TESS rubric;

(2) for a teacher in the first year of appraisal under the T-TESS or for teachers new to the district, a Goal-Setting and Professional Development Plan conference prior to the teacher submitting the plan to the teacher's appraiser;

(3) after a teacher's first year of appraisal under the T-TESS within the district, an observation pre-conference conducted prior to announced observations;

Additional observations and walk-throughs do not require an observation post-conference. Additional observations and walk-throughs do require a written summary if the data gathered during the additional observation or walk-through will impact the teacher's summative appraisal ratings, in which case the written summary shall be shared within 10 working days after the completion of the additional observation or walk-through. Section 150.1004 of this title (relating to Teacher Response and Appeals) applies to a written summary of an additional observation or walk-through that will impact the teacher's summative appraisal ratings;

(5) an observation post-conference that:

   (A) shall be conducted within 10 working days after the completion of an observation;

   (B) is diagnostic and prescriptive in nature;

   (C) includes a written report of the rating of each dimension observed that is presented to the teacher only after a discussion of the areas for reinforcement and areas for refinement; and

(C) examines and discusses evidence related to the performance of teachers' students, as defined in §150.1001(f)(2) of this title (relating to General Provisions), when available; and

(D) identifies potential goals and professional development activities for the teacher for the next school year; and

(8) a written summative annual appraisal report to be provided to the teacher within 10 working days of the conclusion of the end-of-year conference.

(c) A teacher may be given advance notice of the date or time of an observation, but advance notice is not required.

(d) Each school district shall establish a calendar for the appraisal of teachers and provide that calendar to teachers within three weeks from the first day of instruction. The appraisal period for each teacher must include all of the days of a teacher's contract. Observations during the appraisal period must be conducted during the required days of instruction for students during one school year. The appraisal calendar shall:

(1) exclude observations in the two weeks following the day of completion of the T-TESS orientation in the school years when an orientation is required, as described in §150.1006 of this title; and

(2) indicate a period for end-of-year conferences that ends no later than 15 working days before the last day of instruction for students.

(e) During the appraisal period, the certified appraiser shall evaluate and document teacher performance specifically related to the domain criteria, as identified in §150.1002(a) of this title, and the performance of teachers' students, as defined in §150.1001(f)(2) of this title.

(f) The certified appraiser is responsible for documentation of the cumulative data identified in subsection (b)(6) of this section. Any third-party information from a source other than the certified appraiser that the certified appraiser wishes to include as cumulative data shall be verified and documented by the certified appraiser. Any documentation that will influence the teacher's summative annual appraisal report must be shared in writing with the teacher within 10 working days of the certified appraiser's knowledge of the occurrence. The principal shall also be notified in writing of the cumulative data when the certified appraiser is not the teacher's principal.

(g) By written, mutual consent of the teacher and the certified appraiser, the required minimum of 45 minutes of observation may be conducted in shorter time segments. The time segments must aggregate to at least 45 minutes.

(h) A written summative annual appraisal report shall be shared with the teacher no later than 15 working days before the last day of instruction for students. The written summative annual appraisal report shall be placed in the teacher's personnel file by the end of the appraisal period.

(i) An end-of-year conference shall be held within a time frame specified on the school district calendar, no later than 15 working days before the last day of instruction for students. The end-of-year conference shall focus on the data and evidence gathered throughout the appraisal year; the teacher's efforts as they pertain to Domain IV, as identified in §150.1002(a) of this title; the results of the performance of teachers' students, when available, as defined in §150.1001(f)(2) of this title; and the potential goals and professional development plans, as identified in subsection (b) of this section, for the following year. The written summative annual appraisal report shall be shared with the teacher within 10 working days following the conclusion of the end-of-year conference but no later than 15 working days before the last day of instruction.

(j) In cases where the certified appraiser is not an administrator on the teacher's campus, as defined in §150.1005(b) of this title (relating to Appraiser Qualifications), either the principal, assistant principal, or another supervisory staff member designated as an administrator on the campus must participate in the end-of-year conference.

(k) Any documentation collected after the end-of-year conference but before the end of the contract term during one school year may be considered as part of the appraisal of a teacher. If the documentation affects
the teacher's evaluation in any dimension, another summative report shall be developed to inform the teacher of the change(s).

(l) Except as otherwise provided by this subsection, a full appraisal must be done at least once during each school year. A teacher may receive a full appraisal less frequently if the teacher agrees in writing and the teacher's most recent full appraisal resulted in the teacher receiving summative ratings of at least proficient on nine of the sixteen dimensions identified in §150.1002(a) of this title and did not identify any area of deficiency, defined as a rating of Improvement Needed or its equivalent, on any of the sixteen dimensions identified in §150.1002(a) of this title or the performance of teachers' students, as defined in §150.1001(f)(2) of this title. A teacher who receives a full appraisal less than annually must receive a full appraisal at least once during each period of five school years.

(1) District policy may stipulate:

(A) whether the option to receive a full appraisal less frequently than annually is to be made available to teachers;

(B) whether the option to receive a full appraisal less frequently than annually is to be adopted districtwide or is to be campus specific;

(C) if the appraisal accompanying a teacher new to a district or campus meets the option as specified in this subsection, whether the appraisal is to be accepted or whether that teacher is to be appraised by the new campus administrator; and

(D) whether a certified appraiser may place a teacher on the traditional appraisal cycle as a result of performance deficiencies documented in accordance with subsections (b)(6) and (f) of this section.

(2) A school district may choose annually to review the written agreement to have less frequent full appraisals with the teacher. However, at the conclusion of the school year, the district may modify appraisal options through board policy and may make changes to expectations for appraisals that apply to all teachers regardless of a teacher's participation in the appraisal option in the previous year(s).

(3) In a year in which a teacher does not receive a full appraisal due to meeting the requirements identified in this subsection, a teacher shall participate in:

(A) the Goal-Setting and Professional Development Plan process, as identified in subsection (b)(1) of this section;

(B) the performance of teachers' students, as defined in §150.1001(f)(2) of this title; and

(i) the progress on the Goal-Setting and Professional Development Plan;

(ii) the performance of teachers' students, as defined in §150.1001(f)(2) of this title; and

(b) Any written response or rebuttal must be submitted within 10 working days of receiving a written observation summary, a written summative annual appraisal report, or any other written documentation associated with the teacher's appraisal. A teacher may not submit a written response or rebuttal to a written summative annual appraisal report for the ratings in Domains I, II, and III, as identified in §150.1002(a) of this title, if those ratings are based entirely on observation summaries or written documentation already received by the teacher earlier in the appraisal year for which the teacher already had the opportunity to submit a written response or rebuttal.

(c) A teacher may request a second appraisal by another certified appraiser at the following times:

(1) for Domains I, II, and III, as identified in §150.1002(a) of this title, after receiving a written observation summary with which the teacher disagrees; or

(2) for Domain IV, as identified in §150.1002(a) of this title, and for the performance of teachers' students, as defined in §150.1001(f)(2) of this title, after receiving a written summative annual appraisal report with which the teacher disagrees.

(d) The second appraisal must be requested within 10 working days of receiving a written observation summary or a written summative annual appraisal report. A teacher may not request a second appraisal by another certified appraiser in response to a written summative annual appraisal report for the ratings of dimensions in Domains I, II, and III, as identified in §150.1002(a) of this title, if those ratings are based entirely on observation summaries or written documentation already received by the teacher earlier in the appraisal year for which the teacher already had the opportunity to request a second appraisal.

(e) A teacher may be given advance notice of the date or time of a second appraisal, but advance notice is not required.

(f) The second appraiser shall make observations and walk-throughs as necessary to evaluate the dimensions in Domains I-III or shall review the Goal-Setting and Professional Development Plan for evidence of goal attainment and professional development activities, when applicable. Cumulative data may also be used by the second appraiser to evaluate other dimensions.

(g) Each school district shall adopt written procedures for determining the selection of second appraisers. These procedures shall be disseminated to each teacher at the time of employment and updated annually or as needed.
