- (4) facilitates the use of sound research-based practice in the development and implementation of campus curricular, co-curricular, and extracurricular programs to fulfill academic, developmental, social, and cultural needs;
- (5) facilitates campus participation in collaborative school district planning, implementation, monitoring, and curriculum revision to ensure appropriate scope, sequence, content, and alignment;

- (6) implements a rigorous curriculum aligned with state standards, including college and career readiness standards;
 - (7) analyzes the curriculum to ensure that teachers align content across grades and that curricular scopes and sequences meet the particular needs of their diverse student populations;
 - (8) monitors and ensures staff uses multiple forms of student data to inform instruction and intervention decisions to maximize instructional effectiveness and student achievement;
 - (9) ensures that effective instruction maximizes growth of individual students and student groups, supports equity, and eliminates the achievement gap;
 - (10) ensures staff have the capacity and time to collaboratively and individually use classroom formative and summative assessment data to inform effective instructional practices and interventions; and
 - (11) facilitates the use and integration of technology, telecommunications, and information systems that enhance learning.
- (d) Human Capital. The principal:
- (1) invests and manages time to prioritize the development, support, and supervision of the staff to enhance student outcomes;
 - (2) ensures all staff have clear expectations that guide them and by which they are assessed, including the use of and familiarity with evidence-based appraisal rubrics, where applicable;
 - (3) uses data from multiple points of the year to complete accurate appraisals of all staff, using evidence from regular observations, student data, and other sources to evaluate the effectiveness of teachers and staff;
 - (4) coaches and develops educators by conducting conferences, giving individualized feedback, and supporting individualized professional growth opportunities;
 - (5) facilitates the campus's professional learning community to review data, processes, and policies in order to improve teaching and learning in the school;
 - (6) creates opportunities for effective staff to take on a variety of leadership roles and appropriately delegates responsibilities to staff and administrators on the leadership team;
 - (7) collaboratively develops, implements, and revises a comprehensive and on-going plan for professional development of campus staff that addresses staff needs based on staff appraisal trends, goals, and student information;
 - (8) ensures the effective implementation of a continuum of professional development by the appropriate allocation of time, funding, and other needed resources;
 - (9) implements effective, legal, and appropriate strategies for the recruitment, selection, assignment, and induction of campus staff; and
 - (10) plans for and adopts early hiring practices.
- (e) Executive Leadership. The principal:
- (1) reflects on his or her practice, seeks and acts on feedback, and strives to continually improve, learn, and grow;
 - (2) engages in ongoing and meaningful professional growth activities to further develop knowledge and skills and to model lifelong learning;
 - (3) uses strong communication skills, understands how to communicate a message in different ways to meet the needs of various audiences, and develops and implements strategies for effective internal and external communications;
 - (4) develops and implements a comprehensive program of community relations, which uses strategies that will effectively involve and inform multiple constituencies;

- (5) establishes partnerships with parents, businesses, and other groups in the community to strengthen programs and support campus goals;
 - (6) demonstrates awareness of social and economic issues that exist within the school and community that could impact campus operations and student learning;
 - (7) gathers and organizes information from a variety of sources for use in creative and effective campus decision making;
 - (8) frames, analyzes, and creatively resolves campus problems using effective problem-solving techniques to make timely, high-quality decisions;
 - (9) develops, implements, and evaluates change processes for organizational effectiveness;
 - (10) uses effective planning, time management, and organization of work to maximize attainment of school district and campus goals; and
 - (11) keeps staff inspired and focused on the campus vision while supporting effective change management.
- (f) Strategic Operations. The principal:
- (1) assesses current campus needs, reviewing a wide set of evidence to determine the campus's priorities, and sets ambitious and measurable school goals, targets, and strategies that form the campus's strategic plan;
 - (2) outlines and tracks meaningful goals, targets, and strategies aligned to a school vision that continuously improves teacher effectiveness and student outcomes;
 - (3) allocates resources effectively (e.g., staff time, dollars, and tools), aligning them to the school priorities and goals, and works to access additional resources as needed to support learning;
 - (4) establishes structures to regularly monitor multiple data points with leadership teams to evaluate progress toward goals, adjusting strategies to improve effectiveness;
 - (5) implements appropriate management techniques and group processes to define roles, assign functions, delegate authority, and determine accountability for campus goal attainment;
