

ESC Printing Options

Multiple ESCs across the state have the capacity to support statewide printing. **ESCs can support customization of Texas Home Learning packets or fully custom print and ship solutions.**

Districts should contact ESCs directly through the links below to finalize printing options (such as binding), specifications, and prints.

ESCs will communicate costs based on district preferences for packet size, color, binding, and other specifications.

Statewide Printing and Shipping Directly to Homes	Within Region Printing and Shipping Directly to Homes	Printing and Distribute to Districts Only
