## FAMILY AGREEMENT

Young children learn best through predictable routines with supportive adults to guide their learning. Pre-K 4 SA is committed to collaborating with families to provide high-quality early learning in the home. In order to support children's learning, families agree to:

- Designate an area in your home to serve as your child's classroom space. This could be the corner of the living room or a space in your child's bedroom.
- Sign on each day to hear or participate in the Daily Video.
- Work with your child to complete daily activities.
- Participate in weekly Zoom meetings (small group/individual).
- Submit requested documentation of your child's progress.
- Participate in weekly phone call from the Teacher or Assistant Teacher.
- Assist in setting up and participating in Home Visits.
- Participate in City Explorations.
- Attend Parent Trainings throughout the school year.
- Notify Teacher/Assistant Teacher about any concerns and/or absences.
- Adhere to requirements for daily participation (in accordance with TEA).
- Commit to remote learning for the 2020-2021 school year. Children do best with familiar people and routines. While it may be possible to change from remote to in-person instruction, changing the instructional approach may delay your child's progress.
