

# Closed, But Committed to Providing Instruction

## SECTION I: Information/Requirements

If an LEA has closed school due to COVID-19, the agency will provide missed school day waivers for the closed days with the requirement that the LEA provide educational supports for the off-campus education of all students. The waivers will be granted as long as the district commits to supporting students instructionally while absent from school grounds. This attestation will be required to be submitted with the waiver.

The school district or charter school is responsible for providing all necessary educational resources to a student’s parent/guardian and must also provide guidance on how the instruction is to be delivered to the student. Texas Education Agency (TEA) auditors may perform random audits to ensure that school districts and charter schools provided the necessary educational resources.

## SECTION II: Attestation Statement

\_\_\_\_\_ *attests that parents/guardians are being provided with the educational resources and implementation assistance necessary to support an instructional program that will be provided off-campus to students who are absent due to concerns about the potential of illness or actual illness associated with COVID-19.*
