Organization Description:

Graduation Alliance has partnered with more than 650 public school districts as well as state education agencies in 12 states across the country to provide academic support to more than 100,000 at-risk students through its dropout and attendance recovery programs. Graduation Alliance, a certified Benefit Corp, was recognized in 2021 as one of the "Best for the World" for its services for under-served populations. Independent evaluators verified Graduation Alliance's practices including "ethical marketing, data privacy and security, and use of feedback channels to add value to customers while supporting the greater good."

Graduation Alliance provides high impact / high dosage tutoring, focused on grades 9-12 and specifically tailored to each individual student. The hallmark of Graduation Alliance's programs is the robust, technology-enabled human support students receive. Graduation Alliance's tutoring program for Texas features:

- TEKS-aligned curriculum accredited by Cognia, certified by Quality Matters, and approved by the NCAA
- Trained, consistent tutors who work with students 1:1 and in small groups
- Extended tutoring hours
- Online curriculum and communications platform
- Ongoing reporting about tutoring sessions
- Tutor scheduling
- Data collection
- Interim and final reporting

Also Available:

Attendance Recovery Programs - provide outreach and coaching support for attendance and academic achievement to students who have disengaged, are chronically absent, or academically at risk in grades K-12.

Online Dropout Recovery Programs - locate, re-engage, and educate students in grades 9-12 who have left high school without a diploma on behalf of partner districts. Students earn a diploma from their local school district. According to a recent study by Mission Measurement, Graduation Alliance's Dropout Recovery Programs outperformed national benchmarks for efficacy and cost per outcome when compared with similar programs.

Tutor Types

Please list the types of tutors your organization has available (e.g., college students, retired teachers, etc.).

Graduation Alliance has a staff of experienced online tutors who are qualified to support 9-12 students in Math, Science, English Language Arts (ELA), and Social Studies.

Graduation Alliance tutors are committed champions for students and families. Their primary work is to provide instruction, feedback, guided support by asking key questions, and use an active facilitation model. Graduation Alliance coaches typically have backgrounds in education or social work and average more than five years' experience working with at-risk youth.
