Organization Description:

STEM Urban Perspective is founded on the principle that educational success is achieved when modern instructional strategies are used to enrich educational experiences. We are equipping the STEM workforce of tomorrow through reliable experiences today. Students are supported by the administration of diagnostic exams to scaffold learning experiences that add value to students' content knowledge. Tutoring sessions are prescribed based on the individual needs of each learner as diagnosed in the pre-assessment aforementioned. Through varied instruction methods of differentiation, students are given the opportunity to obtain success. Instruction is aligned to the Texas Essential Knowledge and Skills, TEKS. As a program, we forward planning and have also prepared a curriculum to meet the demands of the STAAR and EOC exams. STEM UP is based on the premise that all children can learn. Built on this belief, we go beyond the call of duty to meet the needs of every student enrolled in our tutoring program. In addition, we provide: After-School and Enrichment Programs, literacy, mathematics, reading, science, writing, as well as, STAAR, EOC, TSI, ACT, and SAT preparation, Workforce Development Programs, Parental Involvement Training, and Curriculum Writing.
