

## **Organization Information**

Organization Name:	Focus Care Inc. (FEV Tutor)		
Organization Name:	<ul> <li>FEV Tutor is a vision-driven education organization with a social impact mission to effect change in K-12 education in Texas. For over 10 years, our strategic partnerships with Texas LEAs, schools and charter schools, and other organizations allow us to leverage technology and create equitable learning pathways for students powered by live 1:1 high-impact online instruction.</li> <li>Our high-impact tutoring programs are designed in collaboration with our Texas LEAs to drive both growth and proficiency outcomes driven by TEKS-aligned virtual tutoring services. FEV Tutor's Live 1:1 Online Tutoring programs are built to become a natural extension of classroom teachers (and core learning environment), fit into a school or district's ecosystem, and align with key academic initiatives and outcome goals that we share with our partners, including benchmark growth (NWEA MAP, iReady, STAR, Mastery Connect &amp; More) and proficiency on STAAR, TSIa, EOCs and EOC Retests and more.</li> </ul>		
	- And More		

## **Tutor Types**

Please list the types of tutors your organization has available (e.g., college students, retired teachers, etc.).

FEV Tutor has a staff of qualified and experienced virtual tutors to work with students. Our virtual tutors are qualified in teaching K-12 students on subjects that include Math, Science, English Language Arts (ELA), and Social Studies.
