

## Organization Information

Organization Name:

The mission of Reading Partners is to help children become lifelong readers by empowering communities to provide individualized instruction with measurable results.

Organization Description:

Reading Partners serves as a structured, evidence-based tool in our community's toolbox to empower young students to read, think critically, and develop a lifelong love of learning. As a rigorous, nationally-recognized Tier 2 reading intervention backed by gold-standard research, Reading Partners helps systemically disadvantaged students develop critical literacy skills through one-to-one literacy tutoring led by trained volunteers. Volunteers follow our research-based curriculum and work with students twice a week for forty-five minutes either in-person or online. By combining the strength of our curriculum and the power of highly trained community volunteers, Reading Partners empowers communities to improve education outcomes for elementary students.

## Tutor Types

Please list the types of tutors your organization has available (e.g., college students, retired teachers, etc.).

College Students. Retired teachers.

Community tutors may include high school students as permitted by school partners. All tutors are trained in the Reading Partners curriculum and supervised.
