

## Organization Information

**Organization Name:** SiSTEM Tutoring Agency

### Organization Description:

SiSTEM Tutoring Agency is an academic support system based in Houston, Texas. We provide individualized, one-on-one and group tutoring with a highly qualified and experienced tutor, in Math, Science, Reading, Writing, Computer Science and Foreign Language for ALL grade levels- college students included! Our tutors double as mentors that encourage students to adopt academic values, beliefs and attitudes to help reach their academic goals.

Our SiSTEM Tutors are qualified, experienced high school students, college students, college graduates or certified/retired teachers with at least one year of tutoring or teaching experience. Your student will be in a mentor-mentee relationship with a tutor who has real-world experiences and expertise in Math, Science, English & Foreign Language.

SiSTEM's mission is to cultivate a high standard of academic achievement through exceptional educational resources and services that unlock the true academic potential of all students. We strive to build a foundation for students to take accountability for their learning, to harbor long-term academic success.

Our vision is to provide students with increased access to personalized instruction that bridges learning gaps that may be experienced within the education system.

Our purpose is to cultivate confidence within our students, both inside and outside the classroom; and to provide mentorship that helps students navigate through their academic and career plans.

SiSTEM Tutoring Agency LLC is certified with the City of Houston as an MBE (Minority Business Enterprise and a WBE (Women's Business Enterprise)
