

Organization Information

Organization Name: Tutor Me Education

Organization Description:	Tutor Me Education is a Full-Service Tutor Provider individual organization; we have been a leader in supporting students (In-Person & Virtually) who are struggling with their educational success due to learning-loss through private tutoring and test-preparation for over 10 years. The methods of facilitating an effective program that aims to address the educational needs and the academic achievement of youth are guided by the knowledge and experience of our expert staff and instructors. TME understands the challenge of addressing the social-emotional needs required to ensure the student™s overall well-being. TME has over 4,300 tutors available in the state of Texas and other adjacent areas. Our instructors specialize in tutoring youth in 250+ subjects for all preK-12 levels including GED, CAHSEE, ACT, & SAT Test-Preparation; we also cater to college and graduate level students. TME also has over 8,800 instructors which students can access remotely through our proprietary online platform at any given time. A strong majority of our instructors are bilingual in Spanish but many are also versed in Mandarin, Russian, Tagalog, & many more. Our infrastructure enables us to easily serve over 10,000 more students in the greater Texas area this year. We are currently contracted with at least a dozen districts and organizations in Texas.
