

Current Contracts

Texas Government Code Sections [2054.126 \(d\)\(4\)](#) and [2261.253](#) require each state agency to post specific procurement information on its website. This document contains information about current contracts generally valued between \$15,000 and \$50,000. Information regarding contracts valued at over \$50,000 may be found on the [Legislative Budget Board Contracts Database](#).

You may email TEAContracts@tea.texas.gov with any questions about the information found in this document.

To obtain a copy of a contract, please follow the process to submit a [Public Information Act](#) request.
