

Example of Gradated Methodology for Closing the Gaps

DRAFT—For Discussion Only

Awarding partial credit for Closing the Gaps indicators is part of the accountability system reset discussion. Below represents just one of the options that is currently being modeled and discussed. The technical details, including thresholds for minimal improvement are still under discussion.

Points	Requirement
4	met long-term target and improved from baseline
3	met long-term target but did not improve from baseline OR met interim target and improved from baseline
2	met interim target but did not improve from baseline OR did not meet interim target but improved towards the interim target
1	did not meet interim target and showed minimal improvement
0	did not meet interim target and did not show minimal improvement
