

List of Expiring Innovative Courses 2022–2023

The following innovative courses will expire at the end of the 2022–2023 school year. Course owners who wish to apply for renewal may visit the [Innovative Courses](#) webpage for more information. The Public Education Information Management System (PEIMS) codes associated with these expiring innovative courses will be deleted as of July 2022 if the course is not renewed. Beginning with the 2023–2024 school year, the courses and associated codes may no longer be available for use. For questions related to an expiring course, please email innovative.courses@tea.texas.gov.

Course
Advanced Cloud Computing
Advanced User Experience (UX) Design
Advanced Video Game Programming
Aerospace Engineering
Assistive Technology
Biomedical Innovation
Cyber Citizenship
Digital Image Processing
Engineering Applications of Computer Science Principles
Engineering Design and Development
Engineering Essentials

Course
Environmental Sustainability
Foundations of User Experience (UX)
Functional Fitness
Gateway
Human Body Systems
Innovative Thinking
Internetworking Technologies I
Internetworking Technologies II
Introduction to C# Programming Applications
Introduction to Computer Aided Design and Drafting
Introduction to Engineering Design
Medical Interventions
Practicum in Digital Audio Technology
Principles of Biomedical Science
Quality Assurance for Biosciences

Course
Texas Prefreshman Engineering Program I
Texas Prefreshman Engineering Program II
Texas Prefreshman Engineering Program III
Texas Prefreshman Engineering Program IV
Video Game Programming
