

# Lone Star Governance 2022–23 Exemplar Cohort

## Letter of Interest

March 2022

### Why? [From Good to Great](#)

The Lone Star Governance (LSG) Exemplar Cohort is an intensive program designed for governing teams—school boards with their superintendents—that are dedicated to continually sharpening and cultivating their focus on one primary objective: *improving student outcomes*. It is a unique opportunity for governing teams that are committed to pushing themselves to do even more for their students.

### What? [Resources and Support](#)

The LSG Exemplar Cohort is a yearlong program (with a possible extension) that includes the following at no cost to the LEA\*:

- Attendance at an LSG workshop with fellow cohort members
- A dedicated LSG Coach
- Monthly implementation support tailored for the board, board chair, superintendent, and staff
- Quarterly board self-evaluation support
- Required board member training, including teambuilding and evaluating and improving student outcomes, as well as continuing education that addresses assessed needs based on the State Board of Education's Framework for School Board Development
- Early access to Lone Star Governance-related training
- Collaboration with, learning from, and learning with other high-performing governing teams

### Who? [Leaders Willing to Focus](#)

Any district or charter governing team is welcome to apply. The cohort will be limited to 10 governing teams. Cohort members will be selected based on their ability to research and/or implement evidence-based best practices in board behaviors directly correlated with improvements in student outcomes, as well as a demonstrated commitment to increasing board focus on improving student outcomes. Selected governing teams may have opportunities to mentor neighboring school systems on the philosophy and practices of effective governance.

### How? [Next Steps](#)

The selection process:

- Step 1: Interested districts must complete and submit this letter of interest (LOI).
- Step 2: District must respond to any follow-up questions from TEA about responses on the LOI.
- Step 3: Board president and superintendent of select districts must participate in an interview.

Prior to completing this LOI, please thoroughly review the LSG Manual ([tea.texas.gov/lsg](http://tea.texas.gov/lsg)). Ideally, the board will review the questions and reach a consensus on responses to the following pages.

**Completed LOIs must be submitted to [lsg@tea.texas.gov](mailto:lsg@tea.texas.gov) no later than 6:00 p.m. CDT on Friday, April 8, 2022.**

For further information, contact Lone Star Governance staff at [lsg@tea.texas.gov](mailto:lsg@tea.texas.gov).

*\*Program Expenses: Each LEA remits payment to its LSG coach for services rendered then submits documentation of payment to TEA for reimbursement. More information about the reimbursement process will be provided to members of the 2022–23 cohort.*
