

SPPI 13: Secondary Transition

Instructions for Entering Data

State Performance Plan Indicator (SPPI 13) measures the percentage of youth with Individualized Education Programs (IEPs) aged 16 and above with an IEP that includes appropriate measurable postsecondary goals that are annually updated and based upon an age-appropriate transition assessment, transition services, including courses of study, that will reasonably enable the student to meet those postsecondary goals, and annual IEP goals related to the student's transition services needs. There must also be evidence that the student was invited to the IEP Team meeting where transition services are to be discussed and evidence that, if appropriate, a representative of any participating agency was invited to the IEP Team meeting with the prior consent of the parent or student who has reached the age of majority.

General Instructions

1. The 2022-2023 data collection period is **July 1, 2022** to **June 30, 2023**.
2. Indicator 13 refers to students with IEPs who are at least age 16 between July 1, 2022 and June 30, 2023, and students up through age 21 (age 22 if appropriate). This sample will include students who are age 15 but will turn age 16 by June 30, 2023.
3. Local education agencies (LEAs) will generate a list of students with IEPs that meet the [Criteria for Data Collection](#). Once the 2022-2023 list of students is generated, place the names in alphabetical order.
4. Remove from the list all students whose folders were reviewed and reported in prior data collection years. This now becomes the Official Student List and LEAs will follow the required [Sampling Procedures](#).
5. Enter the student's TSDS Unique ID in the SPPI 13 Texas Education Agency (TEAL) application. The student's name and DOB will automatically populate. Complete the remaining fields.
6. Select **Yes** or **No** for each question. All eight questions must be completed. For Question 8, **N/A** may be an acceptable response.
7. The final compliance status of each IEP is automatically populated at the bottom of the IEP Review screen.
