The Texas A–F accountability system is a tool to help school systems continuously improve student performance to achieve the goals of eliminating achievement gaps based on race, ethnicity and socioeconomic status and ensuring Texas is a national leader in preparing students for success after graduation. The purpose of this communication is to announce that underlying 2024 accountability data was released to school systems today to assist school leaders with internal evaluation of academic performance.

Due to a pending lawsuit, the issuance of 2024 A-F ratings and Comprehensive, Targeted and Additional Targeted Support school improvement designations are pending and subject to change based on judicial rulings. Authorized school system users in the TEA Login (TEAL) Accountability application have access to data, reports and downloads that do not include A-F ratings or scale scores, nor federal school improvement designations.

- The 2024 Accountability Reports and Data Tables and the 2024 Accountability Data Downloads are now available in TEAL without ratings or scale scores. This includes a data download of the raw component scores for 2023 and 2024.
- The 2024 STAAR, Growth, AEA Retest Growth and EL Student Listings are also available in TEAL. 2024 CCMR Student Listings were posted on August 2, 2024.
- Superintendents who do not have access to TEAL Accountability must request access through the My Application Accounts link under Self Service in TEAL.
- For school systems who have calculated scale scores internally and would like to verify their calculations with the agency, for 2024 or also for 2023 to help internally evaluate progress, please email performance.reporting@tea.texas.gov.

For additional information, visit the TEA's official [Performance Reporting](#) webpage, [2024 Accountability System](#) page and the [2024 Accountability Manual](#) page. The data provided to school systems today is based on the methodology in the final rule adopting the 2024 Accountability Manual, posted on May 9, 2024.

For questions or assistance regarding the information in this TAA, please call the Performance Reporting Division at 512-463-9704 or email performance.reporting@tea.texas.gov.
