

DATE:	May 29, 2025
SUBJECT:	College, Career, and Military Readiness (CCMR) Verifier
CATEGORY:	Performance Reporting
NEXT STEPS:	Share with appropriate staff

The purpose of this communication is to inform school systems that the College, Career, and Military Readiness (CCMR) Verifier is now available on the Performance Reporting tab within the [TEA Login \(TEAL\)](#) Accountability application until June 20, 2025. The [CCMR Verifier One-Pager](#) provides information regarding the tool's purpose, how to use the tool, and how to check a request if one is submitted.

Districts should use the CCMR Verifier to verify the accuracy of their **non-TSDS PEIMS** CCMR data, which will be included in 2025 accountability ratings. CCMR data are shown for 2023–24 annual graduates and non-graduating 12th graders. While CCMR indicators determined by **TSDS PEIMS** submissions are **not** eligible for corrections, data from the TSDS PEIMS elements are shown through the Preliminary CCMR Student Listing linked within the CCMR Verifier application.

Eligible for corrections (data from vendors and other sources) and shown on the CCMR Verifier:

- ACT college admissions test
 - Advanced Placement examinations
 - International Baccalaureate examinations
 - Texas Success Initiative assessment
 - SAT college admissions test
 - OnRamps dual enrollment course completion
 - Level I and Level II certificates*
 - DD Form 4 (military enlistment)
- *do not submit Industry-Based Certification (IBC) documentation through the Level I and II certificates field**

Not eligible for corrections (district submissions via TSDS PEIMS) and not shown on the CCMR Verifier:

- Graduate with completed individualized education program and workforce readiness
- Graduate with Advanced Diploma Plan and current special education student
- College prep course completion
- Dual credit course completion
- Industry-Based Certification (IBC)
- Associate degree

If no discrepancies are found, no action is required. Districts can submit official documentation to correct data by **June 20, 2025**. The requirements for acceptable documentation can be found in the [2025 CCMR Verifier Data Requirements](#). Districts should follow their request within the CCMR Verifier application to determine if the request has been approved or denied. TEA may request additional documents or actions of the district after an initial review.

Questions

For questions about the CCMR Verifier, contact Performance Reporting at performance.reporting@tea.texas.gov. For additional information on CCMR indicators, please visit the CCMR tab of the [Performance Reporting Resources](#) page.

For questions about college, career, and military preparation programs, please contact the College, Career, and Military Preparation Division at (512) 936-6060 or ccmp@tea.texas.gov.
