The purpose of this communication is to inform school systems about the public posting of the 2023 Final A–F Academic Accountability Ratings and to provide information about the Final 2025–26 Public Education Grant (PEG) List. After the release of preliminary 2023 ratings in April 2025 and a thorough review of accountability appeals, the final ratings are now available on TXschools.gov.

2025–26 Public Education Grant (PEG) List

With the release of the 2023 A–F final ratings, the list of campuses identified under the PEG program is also final. Campuses that received an overall scaled score of less than 60 are listed on the Final 2025–26 PEG List, available on the [Public Education Grant webpage](#). Districts on the list received communication from the agency that they must notify the families of students assigned to a campus included on the Final 2025–26 PEG List by **September 1, 2025**. The timeline is unique this year due to the delayed ratings release following the recent judicial ruling in April 2025.

Under the PEG interdistrict transfer provision, a parent of a student enrolled in any of the campuses listed may apply to transfer to a campus in another school district for the 2025–26 school year. A school district chosen by a student’s parent under this statute is entitled to accept or reject the application to transfer but may not use criteria that discriminate on the basis of a student’s race, ethnicity, academic achievement, athletic abilities, language proficiency, sex or socioeconomic status. Alternatively, a district may accept interdistrict transfers under Texas Education Code (TEC), §25.036.

Under the PEG intradistrict transfer provision, a parent of a student enrolled in any of the listed campuses may apply to transfer to another campus within the same school district.

The PEG program is authorized under Texas Education Code (TEC), Chapter 29, Subchapter G, §§29.201–29.205. More information to assist districts and to guide families is available on the [Public Education Grant FAQ webpage](#).
