Texas Virtual Education Commission

Austin, Texas

April 27, 2022

Utah Senator for 26 years

- Notable Legislation:
 - Digital Teaching & Learning
 - Dual Language Immersion
 - School Property Tax Equalization
 - Charter Schools

Co-Chaired:

**Education Committee –
National Conference of
State Legislatures (NCSL)**

**Education Task Force –
American Legislative
Exchange Council (ALEC)**

The White House

**President Obama signing
ESSA – December 2016**

Utah Education Strategic Plan 1992

30 Member 'Blue Ribbon' Panel
worked for 2 years

Entire Plan Enacted into Law
by Utah Legislature

The Plan included massive
increases in K-12 funding

**“Utah will
have the best
educated
citizenry in
the world.”**

**Two Members of the
Strategic Planning
Commission were
Elected on the 1992
Ballot to Implement the
Plan:**

Governor Mike Leavitt

**Senator Howard
Stephenson**

**“Utah will
have the best
educated
citizenry in
the world.”**

UEN Provides Statewide Connectivity, Training and Contracts for Distance Learning

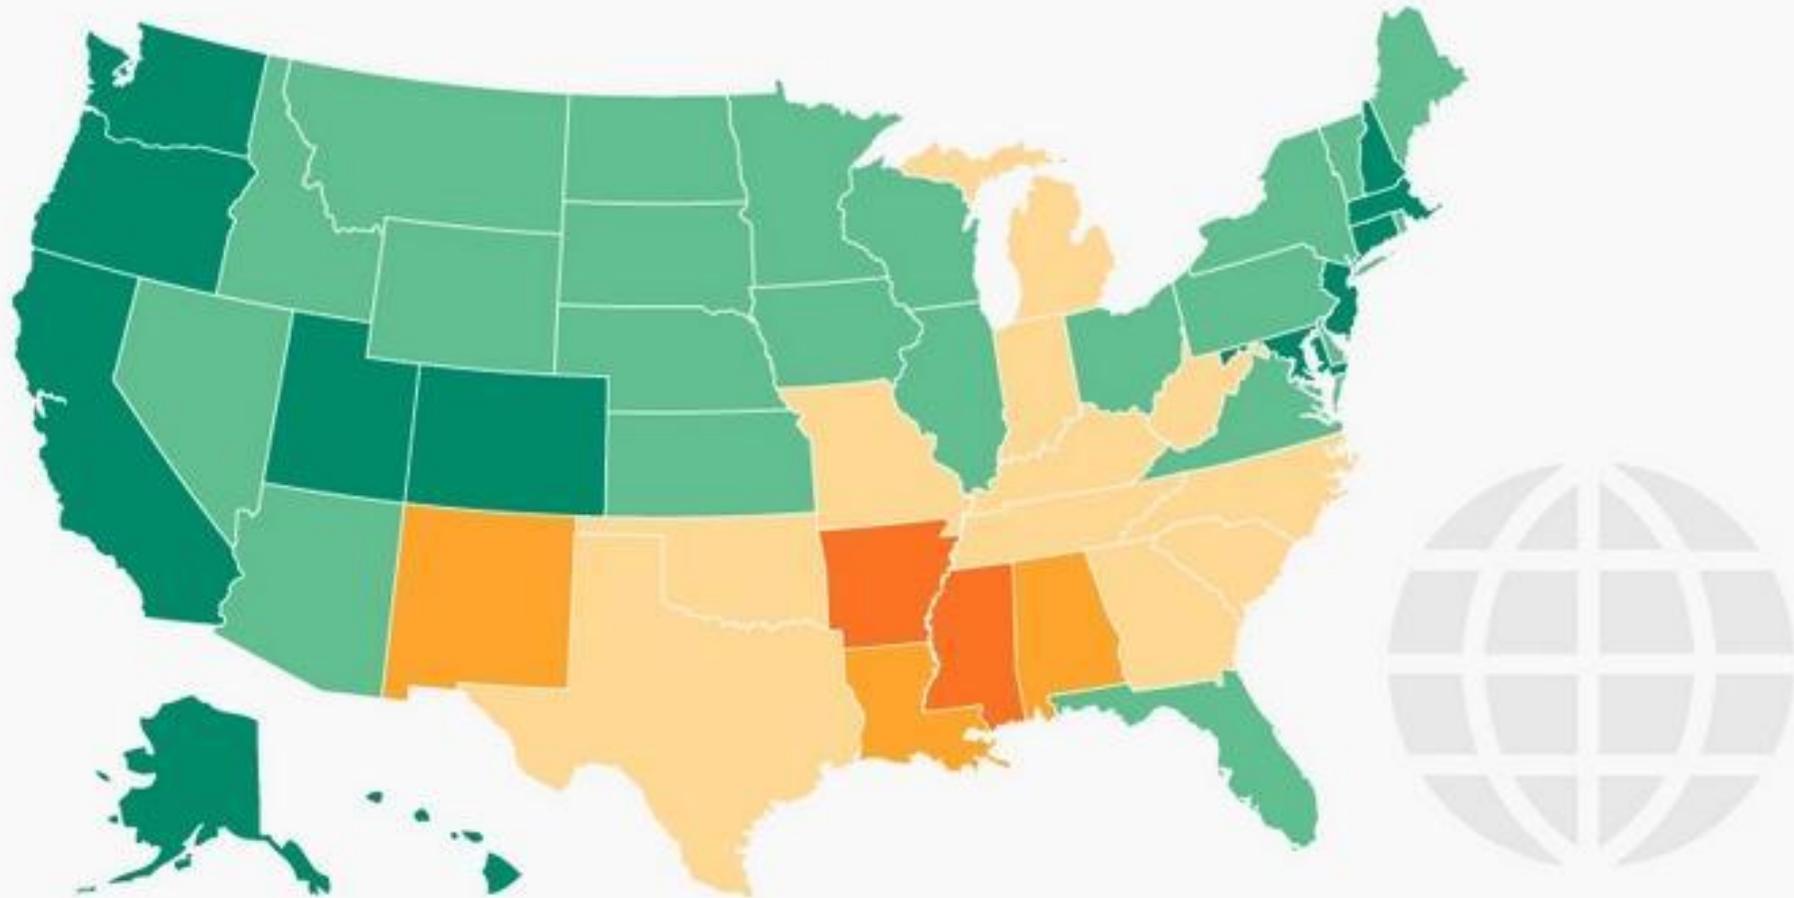

**By the Year 2000 Every Utah Public School was Connected to
Fiber –
Coordinating Access to E-Rate Funds**

A MESSAGE OF HOPE FOR EDUCATION

DUSTIN HULL HEUSTON

WITH JAMES W. PARKINSON

English Language Software for EL Students

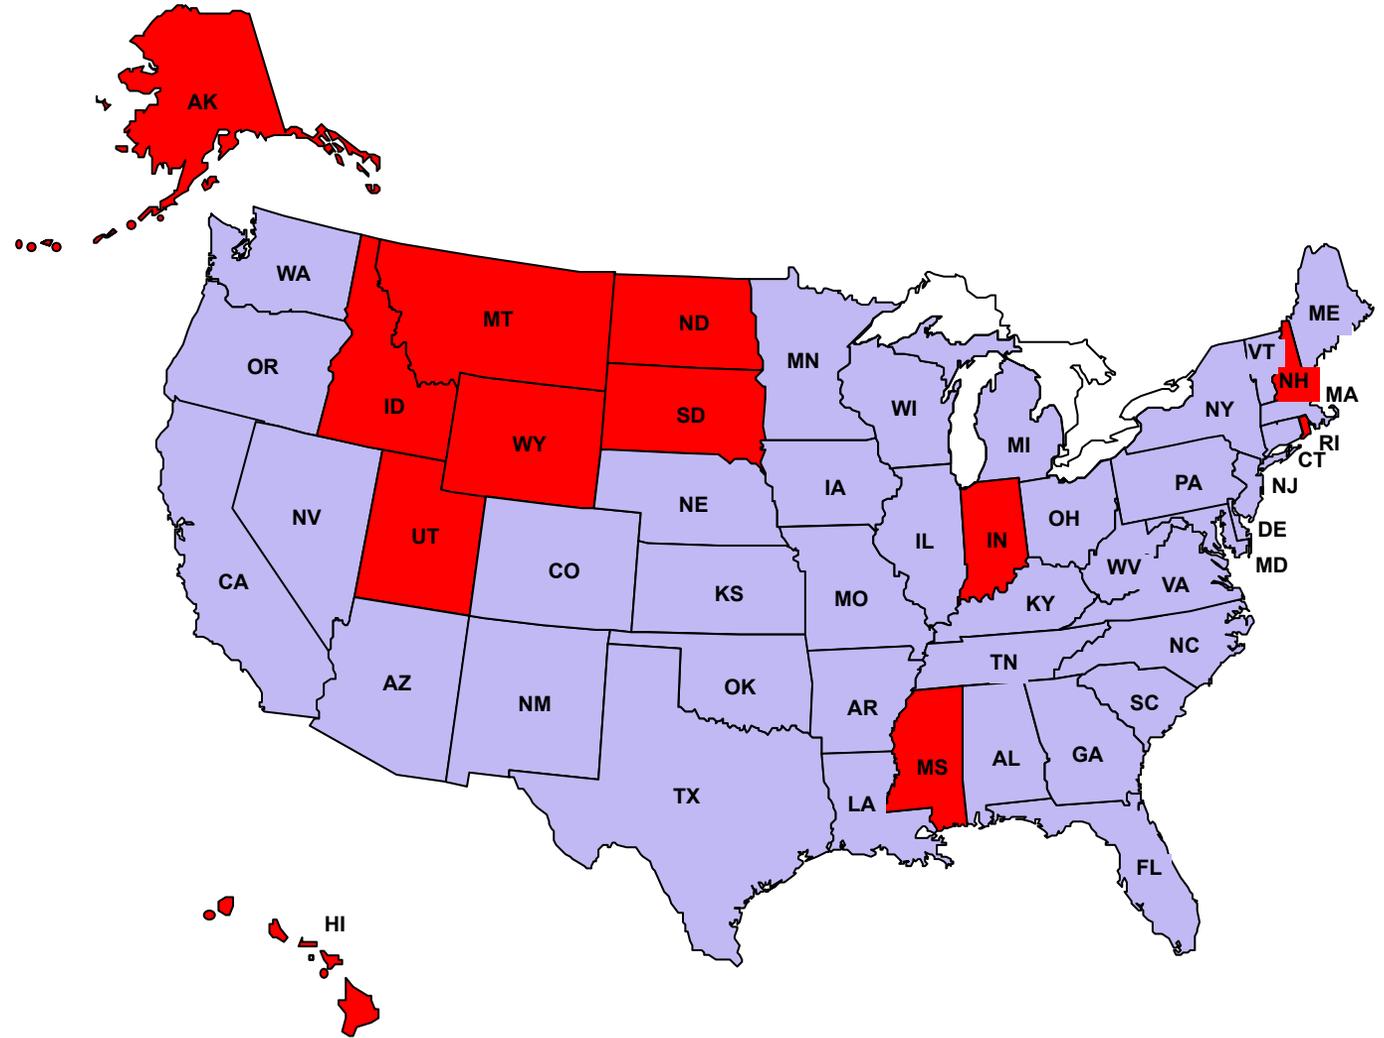

- 2005 Legislation provided software for every English Learner
- Provides 30 mins of Personalized Language Instruction Daily
- English Classroom Proficiency Achieved in 1 to 1.5 years instead of 4 to 6 years

Pre-K Conference

- Big Sky Montana June 2006
- 11 States without state funded Pre-K
- Each state team developed its own plan

Heckman: Children at risk who don't receive quality early childhood education are:

- 25% more likely to drop out of school
- 40% more likely to become a teen parent
- 50% more likely to be placed in special education
- 60% more likely to never attend college
- 70% more likely to be arrested for a violent crime

30 Million Word Gap

Hart, B. & Risley, T.R. “The Early Catastrophe: The 30 Million Word Gap”

- 30 million word gap difference in socio-economic conditions of childhood in first four years of life
- Children in poverty hear fewer than a third of words of higher-income families
- Low-income children often negative directives
- Higher-income children hear many more words of praise
- **Conversational Turn-Taking** is even more important than the number of words heard

Pew Trust Plan

UTAH :

- Took a family-centered approach

Pew Trust Plan

Silas, son of a single dad

What and Why 2-Gen?

In the United States, [one-in-four parents](#) lives in poverty, and [20 percent of children](#) in the United States live in a household with income below the federal poverty level. More alarming, 44 percent of children live in households with income less than twice the federal poverty level. These statistics are even more pronounced when you consider the [disproportionate impact](#) of poverty on children of color. As shown below, in 2016 the U.S. Census Bureau found that child poverty status varied widely when disaggregated by race:

- 31 percent of black children.
- 31 percent of American Indian/Alaska Native children.
- 27 percent of Hispanic children.
- 25 percent of Native Hawaiian and Pacific Islander children.
- 11 percent of non-Hispanic white children.
- 11 percent of Asian children.

The National Conference
of State Legislatures
Identified UPSTART
as one of three most
effective Kindergarten

NEXT BIG PROJECT, IMPROVING K-12 MATH

**In 2013 the Utah Legislature Established the
STEM Action Center and Funded
200,000 Math Software Licenses to Provide
Immediate, Interactive, Adaptive Feedback**

Math Software Licenses to Provide Immediate, Interactive, Adaptive Feedback

Serves 200,000 Grades 3-12 Math Students

Managed by STEM Action Center, Not DOE

Schools Choose From Multiple State-approved Providers

Requires Annual Third Party Evaluation to Measure Results

Schools Lose Grants If They Fail to Use With Fidelity

Moving to Contracts Where Providers Get Paid Only for Those Licenses Used with Fidelity

Does your math homework provide immediate feedback?
Or is it painful and produce negative self-labeling?

Statewide Online Education Program (SOEP)

- 2011 Legislation**
- Teachers Licensed through CACTUS**
- All 9-12 Grade Students Eligible Including
Home and Private Students**
- 2021 Legislation added 7th & 8th Grades**

Utah's Statewide Online Education Program (SOEP)

Students can take 1-6 high quality online courses each year from providers such as:

**ASU Prep Digital
Florida Virtual Schools
Middlebury
Stride (K-12 Inc.)
Utah Online, etc**

Utah's Statewide Online Education Program (SOEP)

All Courses are aligned to state standards

These are NOT credit recovery courses

**Reimbursement Rates: \$869 per Core Credit,
\$619 per Elective**

Utah State Board of Education approves nation's first statewide digital teaching and learning master plan

The Utah State Board of Education approved the nation's first statewide digital teaching and learning master plan, entitled **Essential Elements for Technology Powered Learning**, on Friday,

October 9, 2015.

The plan came out of **Senate Bill 222** from the 2015 Utah Legislature. The bill required the Board to appoint a task force to create a master plan with an eye on setting up funding for a statewide public school technology program for the Legislature to consider in 2016.

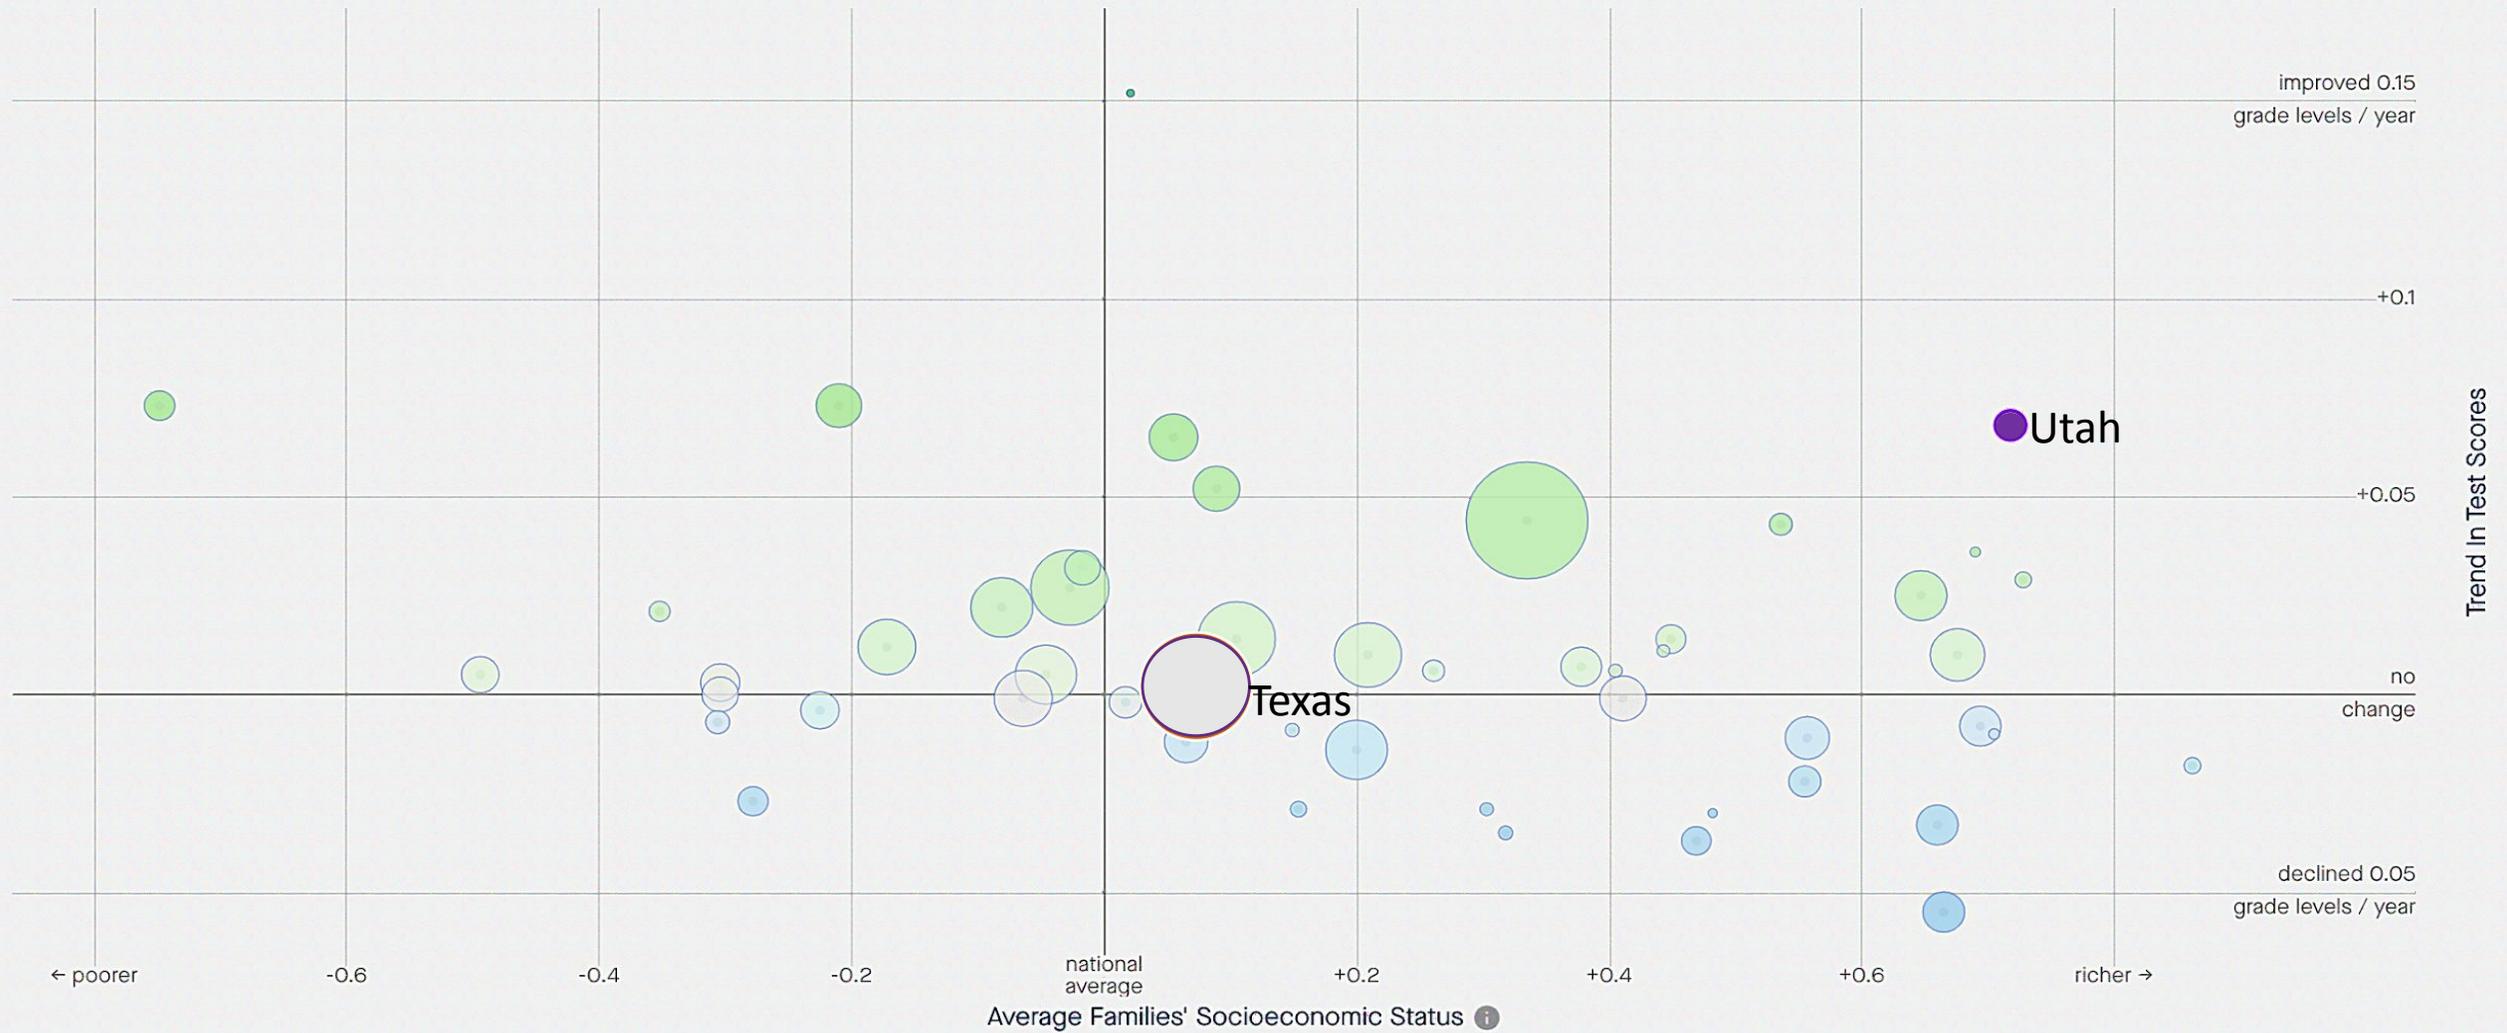

Teachers should not be threatened by Computer Assisted Teaching & Learning

- Accountants embraced Electronic Spreadsheets
 - Accountants repurposed to much higher contribution
- Engineers embraced Computer Assisted Drafting (CAD)
 - Engineers repurposed and in much greater demand
- Teachers who use virtual teaching & learning tools with fidelity can get 90% of any class at grade level in a single year
 - Teachers are working too hard! Their core competencies are the higher levels of Bloom's Taxonomy
