- Child Find/Evaluation/FAPE
- IEP Development
- IEP Content
- IEP Implementation

Findings of Noncompliance

A finding is made when noncompliance is identified with the Review and Support report findings, SPP notification, and/or individualized education program (IEP) requirements. Noncompliance that is systemic in nature must be included in a comprehensive corrective action plan (CAP) with action steps to address each of the noncompliance findings. ***When noncompliance has been identified as part of this cyclical review, Waskom ISD will receive formal notification of noncompliance in addition to this report.***

The TEA Division of Special Education Monitoring will further advise the LEA on the corrective action process, if applicable.

The TEA follows procedures for the correction of noncompliance consistent with federal guidelines (OSEP Memo 09-02.)

Before the TEA can report that noncompliance has been corrected, it must first verify the LEA:

- Has corrected each individual case of noncompliance (Prong 1); and
- Is correctly implementing the specific regulatory requirements (i.e., subsequently achieved 100% compliance) (Prong 2).

The TEA is required to monitor the completion of a corrective action plan if any noncompliance is discovered. The corrective action plan must be designed to correct any and all areas of noncompliance ***as soon as possible, but in no case later than one year from the date of notification.***

Corrective Action Plan (CAP)

The LEA will develop a CAP to address any items identified as noncompliance in this summary report. An approved form for the CAP can be accessed on the Review and Support website or in the resources located in Intervention, Stage, and Activity Manager (ISAM).

The LEA must submit the CAP in ISAM within 30 school days from the date of this report and/or formal notification of noncompliance. The TEA will review the CAP submitted by the LEA for approval. If the TEA determines that a revision(s) is necessary, the LEA will be required to revise and resubmit. The Review and Support team will contact the LEA to provide notification when the CAP has been approved.

Individual Correction

The educational agency has **60 school days** from the date of this summary report to correct all identified findings of noncompliance for individual students unless noted otherwise in the report.
