Subject: Notification of Correction of Uncorrected Noncompliance

Dear Dr. Bryan Taulton:

The purpose of this correspondence is to notify the Coldspring-Oakhurst Consolidated Independent School District (CISD) of the correction of noncompliance identified in the Targeted Review.

A notification of noncompliance identified in the targeted desk review was sent on 07/26/2024. The notification of noncompliance detailed 1 specific area of noncompliance:

- IEP Development: Measurable Annual Goals
34 CFR §300.320(a)(2)(i)

A plan for correction of this issue of noncompliance was included in your corrective action plan. Subsequently, the Coldspring-Oakhurst CISD was required to submit documentation to the Texas Education Agency (TEA) verifying correction for this issue of noncompliance. After reviewing all submitted documents and engaging in further communication with the district for additional clarification, the TEA determined that the LEA did not correct the findings of noncompliance.

The Coldspring-Oakhurst CISD was sent a notification of uncorrected noncompliance on 08/04/2025. The area of continued noncompliance is as follows:

- IEP Development: Measurable Annual Goals
34 CFR §300.320(a)(2)(i)

To ensure the timely correction of this area of noncompliance, the Coldspring-Oakhurst CISD engaged in intensive monitoring activities to ensure that compliance is documented.

Coldspring-Oakhurst Consolidated Independent School District (CISD)

The corrective action plan addressed the area of uncorrected noncompliance. The local education agency (LEA) submitted documentation to the Texas Education Agency (TEA) demonstrating the noncompliance has been corrected. Based on this evidence, the issue is considered resolved, and no further action is required at this time.

Sincerely,
