Subject: Notification of Correction of Noncompliance

Dear Fawzy Shemshack:

The purpose of this correspondence is to notify the School Of Science and Technology Discovery of the correction of noncompliance identified in the Cyclical Desk Review.

School Of Science and Technology Discovery received notification of noncompliance in a letter dated 7/24/2025 listing the following area(s) of noncompliance:

- IEP Development: Development of Present Levels of Academic Achievement and Functional Performance (PLAAFP)
34 Code of Federal Regulations (CFR) § 300.320(a)(1)
- IEP Development: Measurable Annual Goals
34 Code of Federal Regulations (CFR) §300.320(a)(2)(i)

The corrective action plan addressed identified noncompliance. The local education agency (LEA) submitted documentation to the Texas Education Agency (TEA) demonstrating the noncompliance has been corrected. Based on this evidence, the issue is considered resolved, and no further action is required at this time.

Sincerely,

Division of Monitoring, Review, and Support
