

IMRA List of No Action Materials

The State Board of Education (SBOE) took no action on the following instructional materials, which were reviewed during Instructional Materials Review and Approval (IMRA) Cycles 2024 and 2025. As a result, these instructional materials are not included on the IMRA List of SBOE-Approved or SBOE-Rejected Instructional Materials.

Instructional materials on this list may be purchased using Instructional Materials and Technology Allotment (IMTA) funds via disbursement; however, local school systems are strongly encouraged to review IMRA reports before procurement. Detailed IMRA reports are available at <https://im.tea.texas.gov>.

Please note that publishers may have additional ISBNs for alternative formats or varying subscription lengths that are not included on this list. The SBOE's no action decision applies to any materials with the same title and copyright year, regardless of ISBN.
