

SBOE List of Rejected Instructional Materials

This list includes all instructional materials rejected by the State Board of Education (SBOE) through the annual Instructional Materials Review and Approval (IMRA) process. The list is organized alphabetically by publisher, program, and finally by grade level or course in ascending order. Texas school districts and open-enrollment charter schools may not adopt, purchase, or otherwise use these materials for any reason (Texas Education Code, §§ [31.0211\(f\)\(2\)](#), [31.024](#), [31.073](#), [31.106](#)).

Detailed reports regarding each program are available at <https://im.tea.texas.gov/>.
