The Practice book includes Fluency templates, and there are no Fluency templates for G4M4. Therefore, the Practice book is not needed.

Comment: Briefly looking over the scope for grades 3-5, I noticed that key concepts that will be on the STAAR test are scoped to be taught after the STAAR test is given. My secondary Math Coordinator said her resource has 2 different calendar scopes. I was wondering if there would be a different scope to account for the STAAR test and needing all TEKS taught before that is given. Also I would like the opportunity to review the assessments so we have an idea if we will need to create additional assessments. Thank you!
