

IMRA Cycle 2025 List of Proposed SBOE-Rejected Instructional Materials

The State Board of Education (SBOE) has voted to place the following tier-one full- and partial-subject and supplemental instructional materials listed to Instructional Materials Review and Approval (IMRA) Cycle 2025 List of SBOE Proposed Rejected Instructional Materials. All publishers of instructional materials on the IMRA Cycle 2025 List Proposed SBOE Rejected Instructional Materials have until January 6, 2026, to submit required revisions to address identified deficiencies to the Texas Education Agency.

If a publisher fails to submit satisfactory revisions by the stated deadline, the instructional materials will be added to the official List of SBOE-Rejected Instructional Materials, as required by TEC, §31.022(a).

Publishers that submit satisfactory revisions by the stated deadline will have their programs re-evaluated by IMRA reviewers in the summer of 2026, with final SBOE action anticipated in the SBOE’s November 2026 meeting.

Detailed reports for all IMRA-reviewed instructional materials can be viewed at im.tea.texas.gov.
