SUBCHAPTER A. ESSENTIAL KNOWLEDGE AND SKILLS; CURRICULUM

TEC, §28.0023. CARDIOPULMONARY RESUSCITATION AND AUTOMATED EXTERNAL DEFIBRILLATOR INSTRUCTION.

- (a) Repealed by Acts 2013, 83rd Leg., R.S., Ch. 1269, Sec. 3, eff. June 14, 2013.
- (b) The State Board of Education by rule shall require instruction in cardiopulmonary resuscitation for students in grades 7 through 12.
- (c) A school district or open-enrollment charter school shall provide instruction to students in grades 7 through 12 in cardiopulmonary resuscitation in a manner consistent with the requirements of this section and State Board of Education rules adopted under this section. The instruction may be provided as a part of any course. A student shall receive the instruction at least once before graduation.
- (d) A school administrator may waive the curriculum requirement under this section for an eligible student who has a disability.
- (e) Cardiopulmonary resuscitation instruction must include training that has been developed:
 - (1) by the American Heart Association or the American Red Cross; or
 - (2) using nationally recognized, evidence-based guidelines for emergency cardiovascular care and incorporating psychomotor skills to support the instruction.
- (f) For purposes of Subsection (e), "psychomotor skills" means hands-on practice to support cognitive learning. The term does not include cognitive-only instruction and training.
- (g) A school district or open-enrollment charter school may use emergency medical technicians, paramedics, police officers, firefighters, representatives of the American Heart Association or the American Red Cross, teachers, other school employees, or other similarly qualified individuals to provide instruction and training under this section. Instruction provided under this section is not required to result in certification in cardiopulmonary resuscitation. If instruction is intended to result in certification in cardiopulmonary resuscitation, the course instructor must be authorized to provide the instruction by the American Heart Association, the American Red Cross, or a similar nationally recognized association.
