CHAPTER 30. STATE AND REGIONAL PROGRAMS AND SERVICES

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 30.004. INFORMATION CONCERNING PROGRAMS.

- (a) Each school district shall provide each parent or other person having lawful control of a student with written information about:
- (1) the availability of programs offered by state institutions for which the district's students may be eligible;
 - (2) the eligibility requirements and admission conditions imposed by each of those state institutions; and
 - (3) the rights of students in regard to admission to those state institutions and in regard to appeal of admission decisions.
- (b) The State Board of Education shall adopt rules prescribing the form and content of information required by Subsection (a).
