Subject: Final Testing Calendars Available

To the Education Service Center and District Testing Coordinator Addressed:

The purpose of this communication is to notify Texas public school districts and open-enrollment charter schools of the posting of the final 2025–2026 testing calendar and the updated 2023–2024 and 2024–2025 testing calendars. These testing calendars are posted to the Texas Education Agency (TEA) website at <http://tea.texas.gov/student.assessment/calendars/>.

Comments on the proposed calendars were requested and taken into consideration before the calendars were finalized. There was only one change to the calendars since the draft versions were posted. The final dates, February 5–9, 2024, for the State of Texas Assessments of Academic Readiness (STAAR[®]) stand-alone field tests have been scheduled for the 2023–2024 school year.

If you have any questions about this information or about the Texas Assessment Program in general, contact TEA using the Student Assessment [Help Desk](#).
