Indicator: The Performance-Based Monitoring Analysis System (PBMAS) reports performance and program effectiveness results on a variety of indicators. Detailed information on the indicators can be found in each year's PBMAS Manual, available at <http://ritter.tea.state.tx.us/pbm>.

2008 Standard or State Rate: This is the established level of performance (standard) used to evaluate performance and program effectiveness or, if the indicator is a Report Only indicator, this is the average performance (state rate) of all districts in the state.

2008 Region Rate: This represents the performance of each region as a whole on a particular indicator (c/d=b).

2008 Numerator: The number of events observed in a particular indicator (e.g. the number of students passing a TAKS subject-area test).

2008 Denominator: This represents the total population evaluated in a particular indicator (e.g. the number of students taking the TAKS subject-area test).

Performance Level: The result that occurs when a standard is applied to a group's performance on an indicator. PBMAS performance levels range from 0 (Met Standard) to 3.

2006 - 2008 Change: This represents the change in the region rates from 2006 - 2008 (f-h).

*FOR TAKS PERFORMANCE INDICATORS: To ensure comparability across years, the 2006 and 2007 region rates for all TAKS performance indicators have been recalculated to include the appropriate TAKS-Inclusive (renamed TAKS(Accommodated)) and Grade 8 Science results consistent with the grades and subjects of those assessments as they were used in the 2008 PBMAS.

FOR GRADUATION RATE INDICATORS: Graduation rates for classes in which the national dropout definition is being phased in (i.e., classes of 2006, 2007, 2008, and 2009) are not comparable to rates for the class of 2005 and prior classes, nor are they comparable to each other.

The special format '*' is used to mask data to protect student confidentiality. Detailed information on each of the indicators above can be found in the 'PBMAS 2008 Manual' at <http://ritter.tea.state.tx.us/pbm/PBMASManuals.html>.
