Requirements

RDP Training is presented as a Trainer of Trainers (TOT) model using the Trainer Notes method, not as a Power Point presentation. Attendees are expected to take detailed notes on their experiences during the training session, therefore a notepad and pen or pencil is needed. Each attendee is also required to bring a **NEW** flash drive to download the training materials that will be used during the session.

Additional training details and information about parking will be sent via email the week prior to the training date.

See you soon,
