

## How to Access Learning.com Curriculum

Follow these steps to log in to review the Learning.com TechApps for Texas and/or Fundamentals of Computer Science for Texas.

- 1 Navigate in your browser to: <https://login.learning.com/>
- 2 **Username:** If you are a state-designated reviewer, select one of ReviewerA through ReviewerE. For all others, please select the Username associated with the ESC in which you reside. Note that Usernames ARE NOT case sensitive.
- 3 **Password:** For all credentials, the password is Texas2024. Note that Passwords ARE case sensitive.
- 4 **District:** For all credentials, the District is Texas Proc 2024 Demo.
- 5 Click on the orange **Log In** button.
