

Thank you for taking the time to review and explore Science Bits Texas Edition developed for the TEKS standards for grades 6, 7, and 8. We are excited to share this program with you!

Step 1: Please visit the URLs below to access and download the Reviewer’s Guide, Scope and Sequence, and Pacing Guide for the program.

Reviewer’s Guide

https://www.carolina.com/pdf/texas_reviewer_guide.pdf

Scope and Sequence

https://www.carolina.com/pdf/texas_scopeandsequence.pdf

Pacing Guide

https://www.carolina.com/pdf/texas_pacing_guide.pdf

Step 2: Once you have accessed these resources please go to <https://www.science-bits.com/login/> to get started and access the program for grades 6,7, and 8.

Your unique login credentials are included below. The credentials are case sensitive, and you should type them in when you are ready to login and begin your review of the program.

1. To login as a Teacher, go to <https://www.science-bits.com/login/>
2. Click on “Log In” (upper right corner, green button) and use the credentials listed below:

Username	Password
reviewer001@sbtxas.com	sb1867
reviewer002@sbtxas.com	sb5626
reviewer003@sbtxas.com	sb2750
reviewer004@sbtxas.com	sb5392
reviewer005@sbtxas.com	sb7059
reviewer006@sbtxas.com	sb1182
reviewer007@sbtxas.com	sb8666
reviewer008@sbtxas.com	sb7546
reviewer024@sbtxas.com	sb4513
reviewer025@sbtxas.com	sb6060

3. Once you have logged in, you will see the following home-screen.
