How many application packages would an EPP need to submit if applying for more than one route?	The request letter template allows the requestor to identify the route requested. If candidates will be taking different courses depending on their certification route, then the EPP will find it easier to separate the application packages by route.
In past circumstances different certificate areas have not been	
transferable (e.g., an old EC-4	Yes, a candidate who is currently pursuing certification in
completer not being eligible for	Special Education EC-12 or who is a past finisher in Special
the EC-6 certificate exam). Will old SPED EC-12 and SPED	Education EC-12 may be transitioned to the Special Education Specialist EC-12. The EPP may require additional
Supplemental completers be	coursework as needed for finishers who are seeking
allowed to take the Special	approval for the 186 exam.
