# 2025-26 Academic Accountability Data Sources / PEIMS Fall Submission

## CCMR Accountability Data Sources from 2025-2026 PEIMS Fall Submission

This chart provides the 2024-2025 Texas Student Data Systems (TSDS) Public Education Information Management System (PEIMS) data sources and accepted values for College, Career, and Military Readiness (CCMR) indicators used in A-F Accountability collected during the 2025-2026 PEIMS Fall Submission, alongside their accompanying reports.

This resource outlines CCMR Accountability data sources for the 2025-2026 PEIMS Fall Submission only. CCMR incorporates multiple data points from different collections. For prior years' resources, please refer to 2024-2025 PEIMS Summer Submission Reports and 2024-25 Academic Accountability Data- PEIMS Extended Year Submission.

For additional information, please contact your supporting Education Service Center (ESC) or TEA by accessing the TSDS Incident Management System (TIMS).

## Steps for Direct Access to PEIMS References

1. Go to [Texas Student Data System (TSDS) homepage](#)
2. Hover over TEDS Data Standards tab and select [TWEDS Upgrade](#) (TWEDS = TSDS Web-Enabled Data Standards) *To access information for PEIMS references prior to the 2024-25 school year, select Legacy TWEDS XML.*
3. Select the Texas Education Data Standards via TWEDS for the appropriate school year. *(Note: It is very important to access the **applicable** school year as PEIMS information may vary by school year.*)

4. When you have reached the TWEDS intro page for the applicable school year, enter the desired element or code you are seeking and click search. For example, to access *2024-25 DualCreditIndicator Element 1011* enter **E1011** in the search bar.

5. Selecting the DualCreditIndicator (E1011) link provides additional information.

6. The Data Element overview includes information about how the element is used in Data Collections and Submissions throughout the year and links to more detailed information about reporting requirements and scenarios.

7. For example, clicking on CourseTranscript links to this additional information.

8. Note: To compare the same element across different years, select a different school year in the upper right corner and click Open.
