

## What information is available for 2024 STAAR and STAAR EOC assessments?

The 2024 STAAR and STAAR EOC raw scores and scale scores, used to calculate School Progress, Part A: Academic Growth within the A-F accountability system, are available on the 2024 Accountability Rating System webpage.

## What data are used to calculate the performance level indicators?

Spring 2024 STAAR data is used to calculate the performance level indicators for grades 3-8. Spring 2024, December 2023, and June 2023 EOC data is used to calculate the performance level indicators for Algebra I, English 1, and English II.

## What assessments are included in the 2024 performance level indicator tables?

The tables include raw and scale scores for the following assessments:

- **STAAR and STAAR EOC:**
  - Spring 2024 Grades 3-5 Math and Reading Language Arts (English and Spanish)
  - Spring 2024 Grades 6-8 Math and Reading Language Arts
  - Spring 2024, December 2023, and June 2023 Algebra I, English I, and English II
- **STAAR Alternate 2:**
  - Spring 2024 Grades 3-8 Math and Reading Language Arts
  - Spring 2024 Algebra I, English I, and English II

## Are there performance level indicator tables for subjects beyond Math and Reading Language Arts?

Yes, the 2024 accelerated instruction raw scores and scale scores for Science and Social Studies are also available. This includes:

- Spring 2024 Grade 5 Science (English and Spanish)
- Spring 2024 Grade 8 Science and Social Studies
- Spring 2024, December 2023, and June 2023 Biology I and US History

## How is annual growth measured for School Progress, Part A: Academic Growth using STAAR assessments?

Annual Growth indicates the amount of improvement or growth a student has made from year to year. For STAAR assessments (with or without accommodations), annual growth is measured by a transition table. This tracks individual student progress based on performance levels from the prior year to the current year, which include:

- Low Did Not Meet Grade Level
- High Did Not Meet Grade Level
- Low Approaches Grade Level
- High Approaches Grade Level
- Meets Grade Level
- Masters Grade Level

## Which assessments are evaluated in School Progress, Part A: Academic Growth?

School Progress, Part A evaluates:

- STAAR (with and without accommodations)
- STAAR Alternate 2 assessment results for grades 4–8
- STAAR English I, English II, and Algebra I end-of-course (EOC) assessment results.

The evaluations include results for all assessments administered in the 2023 and 2024 accountability cycles that were eligible for an annual growth score including:

- STAAR to STAAR
- English to Spanish STAAR or Spanish to English STAAR
- STAAR Alt to STAAR Alt
- 1<sup>st</sup> time EOC to 1<sup>st</sup> time EOC

Eligibility requires that students:

- Met the accountability subset
- Had a non-zero STAAR assessment result in both the 2023 and 2024 accountability years

## Are SAT/ACT results included in School Progress, Part A: Academic Growth?

No, SAT/ACT results for accelerated testers are not included in the School Progress, Part A evaluations.

## Where can I find more detailed information on the 2024 accountability system?

More information is available in [Chapter 3](#) of the [2024 Accountability Manual](#).

## How does this information assist districts?

This information helps districts make informed decisions for accelerated instruction, aligning with [HB1416 requirements](#).

More information regarding HB1416 can be found [here](#).
