2021 CCMR Outcomes Bonus

To the Superintendent Addressed:

This correspondence is to notify you that the Final 2021 Annual Graduates College, Career, or Military Readiness Outcomes Bonus (CCMR OB) Student Listings and explanatory materials are now available in the [TEA Login](#) (TEAL) Accountability application. This listing is final, and the State Funding Division will use this listing to update preliminary 2022–2023 CCMR OB funding. **Please note that the data in these reports are confidential.**

The District Planning Estimate (DPE) column of the 2022–2023 Summary of Finance (SOF) reports will be updated to incorporate CCMR OB funding and used in near-final settle up calculations. The SOF reports will display the proposed count of annual graduates in excess of the [thresholds](#) for the three cohorts: annual graduates who are educationally disadvantaged (economically disadvantaged), annual graduates who are not educationally disadvantaged, and annual graduates who are enrolled in a special education program.

State Funding will update the fiscal year 2022–2023 CCMR OB funding.
