

College, Career, and Military Readiness (CCMR) Tracker Part II

The CCMR Tracker Part II provides districts with a means to track CCMR indicator completion throughout high school for students reported as enrolled in grades 9–12 on the TSDS PEIMS October 2023 snapshot date. **Corrections cannot be submitted to TEA; this report is for informational purposes only.** If districts find errors, they are encouraged to work with testing vendors to make corrections prior to the student’s graduation. When TSDS PEIMS data are submitted they are considered final.

The 2024 CCMR Tracker is released in stages:

- Part I March 29, 2024: CCMR outcomes reported through TSDS PEIMS, TSIA results, and OnRamps course completion through the **2022–23** school year; SAT, ACT, AP, IB and level I/II certificate results through the **2021–22** school year
- Part II Summer 2024: CCMR outcomes for SAT, ACT, AP, IB, and level I/II certificates through the **2022–23** school year

Note, the CCMR Tracker contains lagging data as detailed on page 6. While the CCMR Tracker contains students who were in grades 9–12 on the 2023–24 PEIMS snapshot, it does *not* contain results from school year 2023–24 as those data have yet to be reported.
