

Information NOW publicly available for 2024 and 2025 Accountability

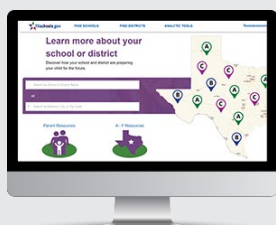

Visit **TXschools.gov** and NOW see publicly available 2024 and 2025 Accountability information for every Texas school.

Here are 4 easy ways you can use TXschools.gov:

1 Visit **TXschools.gov** and NOW see publicly available 2024 and 2025 Accountability information.

2 Find each school by entering the school's name or district name.

3 View detailed school rating and profile information.

4 Dive deeper by using our compare tool, parent resources, and school finder.

Parents and families are critical to academic success.

School ratings are one of many ways to measure academic performance and to see how well your child's school is serving students. Schools use their ratings and data to improve the learning experience for Texas students.
