

About the College, Career, or Military Outcomes Bonus

The College, Career, or Military Readiness Outcomes Bonus (CCMR OB) provided by House Bill 3 (HB 3) of the 86th Texas Legislature and signed by Governor Abbott on June 12, 2019, supports the state’s mission to prepare every child for success in college, career, or the military. The items within HB 3 are aligned to the state’s [60x30](#) goals and provide funding to incentivize and reward innovation and achievement for districts who are demonstrating this alignment. CCMR Outcomes Bonuses are paid annually for the accomplishments of graduates above a certain percentage threshold. The purpose of the threshold concept is to ensure equity amongst the three groups measured: economically disadvantaged; non-economically disadvantaged; and students served in special education programs.

Districts receive the following amounts for qualifying graduates that exceed the threshold performance set for each group (the threshold performance matches performance within each group meeting the CCMR standard at the 25th percentile of 2017 performance statewide). Graduates who were enrolled in a special education program would count towards either economically disadvantaged or non-economically disadvantaged in addition to the special education group.

District Funding	
Economically Disadvantaged	\$5,000
Non-Economically Disadvantaged	\$3,000
Special Education	\$2,000

College ready is defined as:

- Meets Texas Success Initiative (TSI) criteria, and
- Enrolls at a postsecondary institution immediately following high school; or earns an associate degree

Career ready is defined as:

- Meets TSI criteria, and
- Earns an industry-based certification (IBC); or earns a level I or level II certificate

Military ready is defined as enlisting in the U.S. Armed Forces; however, this indicator is temporarily suspended until enlistment data is obtained directly from the U.S. Armed Forces.

CCMR OB data for the Class of 2018 and the Class of 2019 are presented in this report. The Class of 2018 was comprised of 347,458 students. The Class of 2019 was comprised of 355,615 students, representing an increase of 8,157 graduates from the prior year.

Counts of Graduates		
	Class of 2018	Class of 2019
