

Intersessional Calendar Options for 2020-2021

LEAs considering an intersession calendar next year can design a calendar with or without the benefit of Additional Days School Year (ADSY) funding. LEAs should modify these options based on local context.

	Traditional Calendar	Intersessional Calendar <i>without</i> ADSY	Intersessional Calendar <i>with</i> ADSY
Description	Traditional 75,600 minute calendar	75,600 minute calendar with intersessional breaks	75,600 minute calendar with intersessional breaks, 180 days, and up to 30 ADSY days
Additional Days?	No	No	Up to 30 for Grades PK-5
Funding	Normal	Normal	Normal funding AND half day funding for Additional Days

The **ADSY Planning and Execution Program** is a competitive grant program designed to support LEAs in a full year redesign or voluntary summer learning program. Participation in the program is not required to benefit from ADSY formula funding.
