Define
Recommendation
Objective, Potential
Impact and Actors

August Meeting to October Meeting

Research Evidence
and Options

October Meeting to December Meeting

Finalize
Recommendation for
Audience and
Implementors

December Meeting to February Meeting

- Objective (or the What?) – Define the goals for change of this recommendation
- Potential Impact (Why and Tradeoffs?) – Identify the rationale, possible outcomes, trade-offs, costs, and potential consequences if this is widely implemented
- Actors:
 - Who? – Identify the implementers for this type of recommendation
 - How? - Begin to describe the method the implementers would use to enact this change
- Next Steps: What research or other steps need to be taken to finalize this recommendation?

- Working groups leads will **present** their working group **initial recommendations** using the recommendation framework
- Task force members will **take notes** in the notetaking document
- Task force members will **ask clarifying** and **probing questions**
- Task force members will **provide feedback** on working group initial recommendations using feedback stems

Task Force members **understand the direction of initial recommendations** of different working groups throughout the development process to:

- Identify areas of **overlap** and **mitigate redundancy**
- **Contribute ideas** from different working groups to establish stronger recommendations

Working group presenter gives **summary of initial** recommendations (6 minutes)

Task Force members finish reflections in note template (2 minutes)

Task Force members ask questions and **provide feedback** using feedback stems (6 minutes)

Working group lead closes out with next steps (1 minutes)
