## Grant at a Glance

---

This section provides fundamental information pertinent to the grant program.

### Authorizing Legislation

This grant is authorized by the Elementary and Secondary Education Act of 1965, as amended by ESSA, Title 1, Part A, Section 1003

### Where to Submit the Grant Application

LASO individual application links will be emailed to Superintendents on October 3, 2025. Please see the [LASO website](#) for more information.

### Purpose of Program

The LIFT Add-On: School Improvement PLC Support grant is a targeted, Title I-funded initiative designed to enhance implementation support for campuses participating in the Leadership and Instructional Foundations for Texas (LIFT) program that are also identified for School Improvement. This grant provides additional resources, such as expanded PLC facilitation, increased observation and feedback, and individualized coaching to strengthen instructional systems and ensure effective use of high-quality instructional materials (HQIM). The goal is to deepen and sustain effective instructional practices by reinforcing the conditions necessary for strong HQIM implementation, ultimately improving student outcomes on federally identified campuses.

### Eligible Applicants

See the [General and Fiscal Guidelines](#), Eligibility for Funding.

Eligible campuses include campuses that are Title I served with a 2025 federal accountability identification, including Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support (ATS). Comprehensive campuses in their second year of identification (Comprehensive Reidentified or Comprehensive Progress) are also eligible. Campuses must remain in operation during the grant cycle and remain Title I served for the 2026-27 school year. Note: a school system is eligible to apply to both Leadership and Instructional Foundations for Texas (LIFT) and LIFT SI PLC Support grants, but in the event that both are awarded, the school system must select the same Approved Provider for both LIFT and the LIFT SI PLC Support grant.

Applicants must also meet all eligibility standards outlined in the General and Fiscal Guidelines and the Program Guidelines.

Education Service Centers (ESCs) are not eligible to apply

### Eligibility List

There is an eligibility list and it is posted in the Application and Support Information section of the [TEA Grant Opportunities](#) page.

Shared services arrangements (SSAs) are not allowed

## Application Funding

For example:

- School system has 1 school in School Improvement. The principal from that school is participating in the LIFT program. The assistant principal will participate in the SI PLC Support grant: \$60,000.

*\* Should additional funding become available for this program, the agency may add it to the base amount indicated above and fund additional qualifying awardees till all funding is exhausted.*

- Increased in-person observation and feedback cycles, and
- One-on-one coaching for instructional leaders and teachers.

These in-person supports are intended to deepen instructional practices, strengthen schoolwide systems, and accelerate student learning outcomes. - 50% of grant funds for additional support from the Approved Provider and/or salaries, partial salaries, or stipends for instructional coaches or other positions directly supporting PLC facilitation and implementation of the instructional materials

The school system must select the same Approved Provider for both LIFT and the LIFT SI PLC Support grant.

### Adding Attachments

The instructions in the following sections describe how to attach files to an eGrants application, if applicable.

#### General Instructions

The size of each attachment cannot exceed 10MB. If you have a larger file, use a different scanning setting or zip the file to make it take up less space.

Note that attachments with very long names may not be able to be uploaded. If you have difficulty, try renaming the file and starting over.

#### Scanning Documents

If a document must be scanned to create an electronic copy, use the following hints to ensure that the document size is as small as possible:

- Use an OCR or DPI setting of 200 DPI.

- Scanned files must be in PDF format.

### Zippping Files

If your files are too large, add them to a zip file to save space (download a free version of [WinZip](#) and find instructions on creating zip files).

2. On the Grant application's Table of Contents page, select Attach File.
3. Select the appropriate radio button for a TEA Defined Attachment or an Optional Attachment.
4. Select the Browse button. A standard Windows browser appears. Find the file.
5. Select Attach.
6. Confirm the document title appears under Documents Submitted in This Version; refresh the page if necessary. If the attachment does not appear, you may have to rename your document with a shorter name and start over.
7. Repeat this process to attach all your documents.
