Purpose of Program

The School Improvement Curriculum & Instruction Grant (SI CISG) supports campuses in School Improvement that are focused on strengthening curriculum and instruction by implementing non-Bluebonnet, high-quality instructional materials (HQIM) in math or RLA. This grant provides targeted funding and implementation support for campuses that are either (1) adopting a State Board of Education (SBOE)-approved HQIM in eligible grade levels, or (2) seeking to improve curriculum and instruction in grade levels where an SBOE-approved HQIM list does not exist. The grant is designed to ensure that students have access to rigorous, TEKS-aligned materials and that campuses receive the necessary support to implement these resources with fidelity, promote strong instructional leadership, and accelerate student learning.

Eligible Applicants

See the [General and Fiscal Guidelines](#), Eligibility for Funding.

Eligible applicants are campuses that are Title I served with a 2025 federal accountability identification, including Comprehensive Support and Improvement (CSI), Additional Targeted Support (ATS), or Targeted Support and Improvement (TSI). Comprehensive campuses in their second year of identification (Comprehensive Reidentified or Comprehensive Progress) are also eligible. Campuses must remain in operation during the grant cycle and maintain Title I status for the 2026–2027 school year.

To qualify, campuses must be implementing instructional materials in one of the following ways:

- Using a State Board of Education (SBOE)-approved high-quality instructional material (HQIM) other than those in the Bluebonnet Learning suite in eligible grade levels where such materials exist, or
- Focusing on curriculum and instruction improvements in grades K-12 where an SBOE-approved HQIM list is not available.

Campuses are not required to be recipients of the LIFT grant to apply for this opportunity.

Adding Attachments

The instructions in the following sections describe how to attach files to an eGrants application, if applicable.

General Instructions

The size of each attachment cannot exceed 10MB. If you have a larger file, use a different scanning setting or zip the file to make it take up less space.

The only supported browser is Google Chrome. If you are using another browser, please change to Google Chrome before attaching files.

Documents only need to be attached once. Do not attach duplicate documents when completing an amendment. Remove an existing attached document prior to attaching a new version.

Naming Attachments

Name the files you are going to attach with no spaces (for example, 501C3letter.doc or 5013C_letter.doc) and no special characters. Use a meaningful name that identifies the specific document.

Make sure that each attachment has a valid extension (.pdf, .doc, .rtf, .xls, .bmp, .txt, .docx, .xlsx).

Note that attachments with very long names may not be able to be uploaded. If you have difficulty, try renaming the file and starting over.

Scanning Documents

If a document must be scanned to create an electronic copy, use the following hints to ensure that the document size is as small as possible:

- Use an OCR or DPI setting of 200 DPI.
- Scanned files must be in PDF format.

Ziping Files

If your files are too large, add them to a zip file to save space (download a free version of [WinZip](#) and find instructions on creating zip files).

Attaching Files to an eGrants Application

1. Ensure that the document is saved on your computer, using the naming instructions above.
2. On the Grant application's Table of Contents page, select Attach File.
3. Select the appropriate radio button for a TEA Defined Attachment or an Optional Attachment.
4. Select the Browse button. A standard Windows browser appears. Find the file.
5. Select Attach.
6. Confirm the document title appears under Documents Submitted in This Version; refresh the page if necessary. If the attachment does not appear, you may have to rename your document with a shorter name and start over.
7. Repeat this process to attach all your documents.
