Register for this session if you and your board are ready to engage in a continuous improvement framework, specifically designed to improve student outcomes.

LSG is a research-based continuous-improvement model for governing teams—boards/superintendents, that guides them to focus intensely on improving student outcomes.

This workshop is open to full teams of eight, quorums of a board, superintendent and board chair, or individual superintendents and trustees. Trustees will receive the following credit:

- **Evaluating and Improving Student Outcomes (3 hours)**
 - **Framework Hours (10 hours)**

Boards who participate as a Team of Eight will also receive the following credit:

- **LSG Certificate**
- **Team of Eight (3 hours)**
- **Team Commendation**
