

Errata #1 (September 25, 2025)
Subchapter G 2025-26 Application Cycle
Adult Charter High School Application
RFAs #701-26-100

Description of Change

The purpose of this errata notice is to update specific formulas in Attachment F2- Financial Plan Workbook.

Current Attachment F2- Financial Plan Workbook

The Enrollment Tab has formula errors in the Compensatory Education section (rows 92-100). The formula errors trigger data-validation codes when program enrollment (for Years 2-5) exceed the total enrollment of Year 1.

Revised Attachment F2- Financial Plan Workbook

Data validation codes are only triggered when program enrollment for compensatory education (rows 92-100) exceeds the total enrollment for each associated year. As an example, users will receive data validation codes for compensatory education enrollment in Year 2 if program enrollment exceeds total enrollment for Year 2.

The updated Attachment F2- Financial Plan Workbook is linked inside of the Subchapter G Narrative Document on our website [here](#).
